Once you are logged in, click on the mode and input your shipment details.

For LTL shipments, complete the following fields:

Origin Zip Code, Destination Zip Code, Freight Class, and Weight – to get the most accurate charges, enter the shipment dimensions.

The screenshot shows the 'Get Quote (LTL)' form. At the top right is a button labeled 'Back to Quote List'. The form is divided into several sections:

- Shipping From:** Includes a search field 'Select or search for a saved origin...', a 'Clear Address' button, and input fields for 'Enter zip/postal code...', 'United States' (country dropdown), 'Enter city...', and 'Select state/province...'. There is also a search field for 'Click to add services & accessories...'.
- Shipping To:** Includes a search field 'Select or search for a saved destination...', a 'Clear Address' button, and input fields for 'Enter zip/postal code...', 'United States' (country dropdown), 'Enter city...', and 'Select state/province...'. There is also a search field for 'Click to add services & accessories...'.
- Freight Description:** Includes a search field 'Select or search for a class or saved item...', an 'Add Additional Item' button, and input fields for 'Enter a weight...', 'Length...', 'Width...', and 'Height...'. There is also a dropdown for 'Skids' and 'IN'.
- Shipment Protection:** Includes a search field 'Enter shipment value...', a checkbox for 'Include Protection', and a dropdown for 'New'.

At the bottom left, there is a date field '01/06/2021'. At the bottom right, there is a large orange button labeled 'View Quote Results'.

Always be sure to enter any additional services that will be required such as lift-gates in the Shipping From and the Shipping To Services and Accessorials sections:

01/06/2021 View Quote Results

Any accessorials that you don't declare that the carrier must perform will be charged by the carrier without notice. Also note that Freight Classes and Weights must be accurately represented as the carriers are auditing every shipment for accuracy.

If you should need assistance with Freight Class, please call our customer service team for assistance at 702-425-3111.

After you have entered your shipment information, click on View Quote Results and you will be presented with all the carrier options. The results list can be put in order by Quickest Service or Least Cost by clicking in here:

CARRIER	SERVICE DAYS	DISTANCE	RATE
---------	--------------	----------	------

After you have evaluated the rates, if you would like to ship under that quote, click on Create Shipment and complete the shipment information. Please email our operations team at: tcoops@tfwwi.com with the assigned TCO BOL # and we will immediately create an account specifically for your company, move your first shipment over, and provide you with log in credentials.

We look forward to working with you. If you should have any questions, please feel free to give me a call or reach out via email. Attached is a complete user guide for additional reference.
